CH14 9 .1 - Applicability

- A. No special use may be approved under section 8.3, no change in an FP District may be made under section 3.3, and no other change in the use of land (except an agricultural use) that involves a change in any structure on or in any land, or in the condition of the land, may be made unless the Administrator on application, issues an improvement location permit authorizing the change.
- B. The filing fees for improvement location permits shall be as shown in the table at the end of this section.
