CH9 9 .7 - Township Fire Protection

The Board may enter into contracts for providing fire protection for townships contiguous to and adjoining the Town. The contracts shall in no way diminish the fire protection provided to the residents and taxpayers of the Town. The consideration for such contracts shall be in amounts determined by the Board.

Codifer's note:

ORDINANCE NUMBER 7-1964 PROVIDED:

"An Ordinance authorizing contracts for providing fire protection for townships in and around the Town ...

WHEREAS, the Town ... has and maintains its own fire equipment; and

WHEREAS, the same is operated by a volunteer fire department in the Town

WHEREAS, Burns' Indiana Statutes, Section 65-501, et sequel (now Indiana Code [368-13-1](#)), authorized said Town to contract for providing fire protection for townships without such fire protection: ****"
