Please Note: SQL server and Microsoft licensing are required, but not included in this quote.

Annual Maintenance:

All programs will be subject to an annual license renewal and maintenance fee. Maintenance rates may change annually but are quoted here for your consideration.

Training Stipulation:

Training days are defined as a minimum of four and maximum of six hours. All training days must be completed within six (6) months of the first training day. Any training days not completed in that time frame will expire.

Additional Support:

Any additional technical support will be billed at \$200.00 per hour, plus travel time at \$60.00 per hour. Additional software support will be billed at our current rate of \$175.00 per hour, plus travel time at \$60.00 per hour. In some circumstances, lodging and per diem charges may apply.

The Payment Schedule:

The payment schedule to A. E Boyce Co., Inc. is as follows: 50% of the total purchase price due and payable upon acceptance and execution of Boyce Systems License Agreement. The remaining 50% will be due and payable immediately after our software is installed on your system. Invoices for any additional modules or custom programming, unless otherwise stated, will be due and payable upon receipt.

Additional conversion or customizations will be quoted as requested and specified with an average lead time of six (6) to twelve (12) weeks. All prices, terms and conditions specified in this quote, except as noted, shall be valid for 60 days from the date of this quote.

Respectfully Submitted,

Parker Bright
