

# Sign up for the American Citizen Planner – Indiana 2026 Spring Session!

## Support Your Community & Become a Master Citizen Planner

*Three Sessions Starting in 2026*

### Program Overview

American Citizen Planner – Indiana is an online training program designed to help those currently, or potentially, serving on an area or advisory plan commission in Indiana learn at their own pace. Course participants also register for two live virtual events, which build and expand upon topics covered in the online course.

You'll understand the roles and responsibilities of public officials, community residents, and developers in the planning process, as well as tools and processes planners use to implement comprehensive plans.

### Target Audience

- Current or future members of area/advisory plan commissions or boards of zoning appeals
- Interested residents
- Elected officials
- Municipal, county or applicable nonprofit staff

### Full-Year 2026 Session Schedule
