RE: LETTER OF INTEREST (LAPEL PARK BOARD ROLE)

Jennifer Reske or whom it concerns:

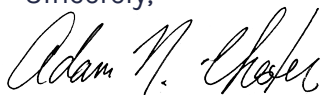

I am writing this letter to share my interest in serving as part of the Lapel Parks Board. My name is Adam Chester and currently reside at 3100 Montgomery Boulevard, Lapel Indiana 46051. We moved back to Indiana after living out of state in Arizona for the past 8 years. We chose Lapel as our new place to live due to great reviews of the Frankton-Lapel Community School system. We were also looking for smaller town that was safe and quiet away from the busy life of the nearby cities.

Since 2017 I have been a small business owner that provides architectural services to various types of organizations. That current role along with my past architectural endeavors and connections to the design community have uniquely provided me with experience that could serve as an asset to the Lapel Park Board.

I would enjoy learning from the local leaders, meeting more community members and hearing from several groups what activities and spaces make Lapel unique. From those discussions, I would like to explore and develop plans on ways to improve on the current park spaces, programs and recreational activities.

If you are looking for someone who is hardworking, dependable, team oriented, possesses optimism and can think up unique or outside the box ideas, then I believe I would work well with the group that is currently in place. Please don't hesitate to contact me if you require further insights. I can be reached by email at adam@conexusdesign.com or by cell phone at (317) 753-5259.

Sincerely,

A handwritten signature in black ink, reading "Adam N. Chester". The signature is written in a cursive, flowing style.
